Government of Sindh
Karachi, Oct 25, 2010

Executive District Officer(s)
Education Department
All District(s)

Subject: Display of list on Non Viable Schools

Please refer to above subject matter and our communications regarding Non Viable Schools dated April 27, 2010

The Reform Support Unit had carried out an exercise all over the Sindh province on identification of Non-Viable Schools in each district based on Annual School Census 2009-10. These schools were reported as non functional and could not be made functional by District Education Officers in their respective districts. The list on Non viable school in each district was duly signed by concerned ADOs and EDOs before submission to Reform Support Unit in April 2010.

Now we are pleased to inform to you that list on non viable school is finalized at Department of Education. It has been decided to inform and involve community on the deletion of non viable schools from SEMIS database and from District record. The Department of Education has widely published Public Notice along with list of non viable school in daily Dawn, Express & Ibrat newspapers for inviting objections or comments by Nov 10, 2010 before deleting completely from SEMIS database.

You are requested to display widely this Public Notice along with list of Non-Viable schools in your offices and issue necessary communications for all Education Officers at District/Taluka level for display of list on Non Viable Schools in their offices for public attention.

All comments/feedback would be forwarded to Reform Support Unit for further evaluation on non viable schools.

(Azhar A. Dahar)
Deputy Program Manager
SEMIS Cell/RSU
